

# WORLD REVIEW OF POLITICAL ECONOMY

A new quarterly of the World Association for Political Economy  
published by Pluto Journals.

The World Review of Political Economy (WRPE) is a quarterly, peer-reviewed title published by Pluto Journals in close association with the Shanghai-based World Association for Political Economy (WAPE), with the first issue scheduled to appear in spring 2010. This groundbreaking project is the first of its kind: a pioneering collaboration between Chinese academics and a Western left publisher to produce a serious periodical of Marxist political economy. The WRPE is certain to be the essential forum for dialogue, cooperation, debate, and the sharing of cutting-edge research among the leading scholars in China, the English-speaking world, and beyond.
