Quizzes	10%

2 midterm exams	25% 6/2, and 6/16
Final exam	35% 6/29 2:00pm–5:00pm

**Homework:** Homework is the main part of this course; working problems is the only way to construct your own understanding of the material. The homework will be turned in weekly and a portion of it will be selected and graded. Students will also present solutions to homework problems in class.

**Quizzes:** A series of short quizzes will be based on class discussions, readings, and homework and will be used to prepare students for the exam.

**Exams:** Exam questions will be based on class discussions, readings, and homework.

**Attendance:** Attendance is required. Class participation will be an essential part of this course. Students' final grades in the class go down if they miss more than three classes. **YOU ARE RESPONSIBLE FOR ANYTHING SAID IN CLASS, AND THIS MAY INCLUDE CHANGES TO THE SYLLABUS** (an extra exam might be added or the dates might be changed, for example), so if you do have to miss class be certain that you find out what happened in class that day.

**Cell Phones, Electronic Devices, ...:** Do not bring cell phones to class. If you must bring it, make sure it is silent during class.

**Honor System:** It is expected that each student in this class will conduct him or herself within the guidelines of the Honor System.
