

Most of the tools have a “quick key” that will select the tool without having to mouse to the tool palette. Here is a list of the key with its tool in order top down / left to right:

### SELECTION TOOLS

M – Rectangular marquee

V – Move tool (Arrow)

L – Lasso Tool

W – Magic Wand Tool

### “DRAWING” TOOLS

J – Air Brush Tool

B – Paintbrush Tool

S – Stamp Tools (“Cloning tool”)

H – History Brush

E – Eraser Tool

N – Line/Pencil Tool

R – Blur/Sharpen/Smudge Tool

O – Dodge/Burn/Sponge Tool

### OTHER TOOLS

P – Pen Tools

T – Text Tool

U – Measure Tool

G – Gradient(s) Tool

K – Paintbucket Tool

I – Eye Dropper Tool (color sampler)

H – Hand Tool

Z – Zoom Tool

\* Important Note: If the tool has a small triangle in the bottom left corner there are multiple tools options. Press on the Tool with the mouse and HOLD the tool options will appear.
