

## Student questionnaire - Math 117 - Section C

Please turn this in to Jeremy in his office sometime before class on Friday, January 24. A convenient time to do this would be from 2-3 pm on Thursday, January 16 (or January 23). [ I am asking you to do this so that (i) you know where my office is, and (ii) I have a chance to learn a little bit about you and connect your face with your name. ]

Name:

Where are you from?

Tell me about what your plans are for your major/career path.

Why are you taking this course?

Tell me something interesting/unusual about yourself.

What other math classes have you taken at Wake? Are you taking other math classes this semester?

Do you have an issue with the scheduled office hour times? Do you have an issue if my dog is present during office hours?
