

**Modern Visual Culture, 1830s to Present**  
**Art History Seminar ART 396j**  
**(Art and Popular Culture)**  
**Monday 3-5:30, SFAC 103**  
**Professor Lubin**

This seminar examines the social, historical, and technological changes over the past two centuries that have saturated us with visual information and altered the appearance of our world. Attention will be focused on readings, discussions, and individual research projects.
