TIP #1:
Turn off Object Drawing
TIP #2:
Make an outline of the shape first, then fill in color.
EXAMPLE:
Say, you want to draw this hairstyle.
**STEP 1: OUTLINE**

First, use Brush or Pencil tool to create an outline.
STEP 2: FILL

Then, fill in the color.
(You may use the Bucket tool.)
STEP 3: ADD IN EXTRA STUFF

Now, you can add in bangs, flyouts, and highlights.
You can also stroke the fills.
